

SERMON SERIES MAY 13 - JUNE 24

What is the church? How did it start? What challenges did the early church face? Does it still matter today? Why church?

Two thousand years ago, on Pentecost Sunday, a gathering of people in a Middle Eastern city began a movement that would circle the globe and leave its mark on individuals and cultures on every continent. This movement would eventually become known as The Church. The church is a movement. And it's still moving.
