

ENGAGE: Sermon Series “Real Relationships”

Starting the week of September 9th, these groups will follow the five week sermon series “Real Relationships” based on the work of Peter Scazzero. The reference guide “Emotionally Healthy Relationships Day by Day” is centered on a life-transforming plan of intentionally pausing to be deeply present with God. Devotional time will reflect on themes such as clarifying expectations, deep listening & clean fighting. Groups meet at the Rosemount campus.
