2. Able to work in a team setting, take directions and lead volunteers.
3. Has experience mixing audio successfully in the live environment.
4. Has good communication skills (confirmed by someone other than you).
5. Ability to think quickly and react/trouble-shoot properly in high stress situations.
6. Willing to attend training sessions and read/watch other training material for improving existing skills.
7. Be able to transfer knowledge and train volunteers on sound equipment.

DUTIES:

Pre-service

1. Set up stage with musicians.
2. Perform proper line check.
3. Perform proper sound checks; includes gain settings, monitor mixes, proper volume settings, and the eq/mixing process.
4. Check with worship leader and pastor for schedule and any schedule changes.

During Service

1. Responsible for adjusting sound levels during service as needed.
2. Responsible for following worship leader's direction and musicians' direction during services (i.e. boosting monitor levels).
3. Responsible for recording the service.
4. Responsible for following stage and schedule cues.
5. Responsible for providing a distraction-free service as it relates to audio production.

Post-service

1. Return media to individuals (Backing CD to soloist, DVD to visiting pastor, etc.)
2. Talk with the band to find out if issues existed for them during service.
3. Note any broken/faulty equipment and take it out of service, if possible.
4. Clear stage with musicians as needed.

Wednesday Practice

Perform similar duties as described for pre, during and post services, at Wednesday rehearsals.

Special Services

Perform required services on special occasions like Cantata, Ash Wednesday, Easter and Christmas etc.

Regular Schedule

Set up/sound for Wednesday evening band rehearsals, plus rehearsal and worship service on Sundays.
